# Are NovoPen 6® & NovoPen Echo® Plus compatible with my smartphone?

Here's how to find out:

If you can answer "Yes" to all of the following questions, your smartphone is compatible with NovoPen 6® and NovoPen Echo® Plus

- ✓ Does your smartphone have an NFC (Near Field Communication) interface?
- ✓ Is your smartphone's operating system (OS) compatible with NFC interface?
- ✓ Is the app you prefer supported by your smartphone's operating system?

Depending on the model, the NFC interface is in a different place on your smartphone. You can see some examples here.

| iPhone | Samsung | Huawei |

The individual specifications of your smartphone can be found in the operating instructions or can be requested from your smartphone dealer.
